14th. Hyacinth & Hesperis alba & juliana  
 flowers, some double, some single & some  
 half double. The most striking is the one  
 in the foreground, the flowers are large  
 & double, the leaves are dark green & glossy.  
 The other two are smaller & the leaves are  
 more upright. The flowers are also  
 double & the leaves are more upright.  
 The third is a single flower, the leaves  
 are more upright. The fourth is a single  
 flower, the leaves are more upright. The  
 fifth is a single flower, the leaves are  
 more upright. The sixth is a single  
 flower, the leaves are more upright.

15th. Hyacinth - Polyanthus, the flowers  
 are double, the leaves are dark green & glossy.  
 The other two are smaller & the leaves are  
 more upright. The flowers are also  
 double & the leaves are more upright.

16th. Polyanthus - the flowers are  
 double, the leaves are dark green & glossy.

1. The first thing I noticed when I stepped  
out this morning was a cold breeze.

It felt like a warm blanket after a long winter.

The sun was shining brightly, and the birds were singing.

I took a deep breath and felt a sense of peace.

The world was so beautiful, and I was so lucky to be here.

I walked slowly, enjoying every step.

The path was so quiet, and the air was so fresh.

I felt like I was in a dream, and I was so happy to be awake.

The world was so beautiful, and I was so lucky to be here.

I took a deep breath and felt a sense of peace.

The world was so beautiful, and I was so lucky to be here.

I walked slowly, enjoying every step.

The path was so quiet, and the air was so fresh.

I felt like I was in a dream, and I was so happy to be awake.

The world was so beautiful, and I was so lucky to be here.

I took a deep breath and felt a sense of peace.

The world was so beautiful, and I was so lucky to be here.

14. The 1st of May, and 1st of June, 1861. The weather was very fine, and the wind was light. The water was very clear, and the fish were very numerous. The birds were very noisy, and the insects were very active.

15. The 2nd of May, and 2nd of June, 1861. The weather was very fine, and the wind was light. The water was very clear, and the fish were very numerous. The birds were very noisy, and the insects were very active.

16. The 3rd of May, and 3rd of June, 1861. The weather was very fine, and the wind was light. The water was very clear, and the fish were very numerous. The birds were very noisy, and the insects were very active.

17. The 4th of May, and 4th of June, 1861. The weather was very fine, and the wind was light. The water was very clear, and the fish were very numerous. The birds were very noisy, and the insects were very active.

My dear Mary, I have just received your letter of the 10th inst. and am very glad to hear from you. I am well and hope this finds you the same.

The weather is very pleasant today. I am very much interested in the new book you have written. I have just received it and am very much interested in it. I have just received it and am very much interested in it.

I have just received your letter of the 10th inst. and am very glad to hear from you. I am well and hope this finds you the same. I have just received your letter of the 10th inst. and am very glad to hear from you. I am well and hope this finds you the same.
